

Bulletin #2013-013 29 – December - 2013

Subject:
National Championship Events

Overview:
Effective immediately, replace Article 9.1.B with the following.

- B. The points standings for the Championships will be based on each driver's and co-driver's best results in events on the National Championship calendar.

Some of these events may be considered "mandatory" for the Championships. A driver or co-driver who fails to start any of these "mandatory" events will have the number of events that count towards each applicable Championship reduced for each of these events missed.

The National Championship calendar, the number of events that will count towards the Championships, the list of "mandatory" events and their impact on championship points will be announced in a Bulletin issued at the beginning of each season.

Rationale: The previous wording was specific for 2013, so it needed to be replaced with wording that was not specific to a particular season.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
